Theme Show Campfire at the Great Rendezvous at Sherman's Creek

October 3, 2009. CPP was contracted to provide lighting and sound for this year's campfire showcase at the Great Rendezvous at Sherman's Creek, a combined council event

between Keystone Area Council and York Adams Council of the Boy Scouts of America. The event was held at KAC's Hidden Valley Scout Reservation. The event included remarks from event coordinator John Ewell, KAC Council President Fred Lovelace, and entertainment provided by Rich Pawlings entitled "History Alive!". There

were over 2000 scouts, parents, and volunteers in attendance. The theme show (listed above) was the highlight of the weekend long event which included all-day outdoor activities for scouts of all ages.

FOH Engineer: Nathan Oakley

CBI Releases the "Ear Splitter"

Bands and traveling musicians will find value in the features offered in this new split snake from CBI. In a two space unit, the ear splitter will provide signal flow to both the front of house system and an on stage monitor system, especially for performers that require in-ear mixes. This unit comes in both 16 and 24 channel models and is available through Central Penn Productions. Call today for price quote!
